September 2026

Welcome Back!

Welcome back to a new school year! We have had a fantastic start to the term and have enjoyed welcoming several new pupils to our school community.

Over the past few weeks, pupils have already been involved in a range of exciting activities and events.

It has been wonderful to see our pupils embracing new opportunities, working together, and representing the school so positively. We look forward to sharing more of their achievements and experiences throughout the year.

Spectacular School Fair

Our first ever School Fair was a fantastic success, bringing together pupils, families and members of the local community for a fun-filled afternoon in the sunshine. Visitors enjoyed a variety of stalls, tombolas and raffles, alongside popular attractions such as the inflatable slide, coconut shy and the ever-popular 'Splat the Teacher'. There was even a visit from the fire service and Hot Rod cars. The event helped pupils to build their confidence, communication and teamwork skills while strengthening connections between school, home and the wider community. It was wonderful to see everyone come together to celebrate, support one another and create lasting memories.

Community Litter Pick

As part of our commitment to supporting the local community, pupils took part in a community litter pick around the local area. They worked together to help keep our environment clean and tidy, demonstrating responsibility, teamwork and pride in their community. It was a valuable opportunity for pupils to make a positive contribution to the area while developing their understanding of the importance of caring for shared spaces.

Honey Extraction

Pupils were excited to take part in extracting honey from our own High Peak beehives. This hands-on experience allowed them to learn about the important role bees play in supporting biodiversity and food production. Through caring for the hives and harvesting the honey, pupils developed a greater appreciation of the natural world, the importance of environmental responsibility, and the benefits of working together to achieve a shared goal.

Harvest Event

Pupils attended the Harvest celebration at St Mary's Church, where they learnt about where food comes from and explored healthy eating through the Eatwell Guide. The event encouraged pupils to reflect on the journey of food from farm to table and the importance of being thankful for the food we have, as well as the people who help to grow, produce and provide it.
